scutor Wolverton Finds No Midence Has Been Adduced Show Criminal Negligence

tightning Harmless When It Hits an All-Steel Train

In an interview in the American ne for July, Dr. Charles P. sinmetz, chief consulting engineer the General Electric Company, that lightning striking an all-train on steel tracks would be ded through the rails in a

falent die harge. "The Enfel Tower in Paris has en struck many times without vision in the structure being aware of it," he says.

This apparently would dissipate a theory that Walter Wescott, engineer function, was killed by lightning.

his wreck of early Monday morning would have taken place if the Conden dispatcher's office had notified in of a train of "empties" bound for Attantic City and running on the "Owl Express" time. De Walt, showing signs of the strain

he has undergone since the wreck, came Canden from his home in Ham-

was down," said the younger De Walt,
"be could not have done more than he
did to avert the accident."
The board of inquiry was reconvened

the old Camden National Bank Building, at Second street and Kaighn Tailway, of the Public Utilities Board, the Interstate Commerce Commission and of Camden County were in attendand of Camden County were in attend-nce. Prosecutor Wolverton was there watch for evidence of criminal care-

seness, and took Edward Berry, court senographer, along to take a complete senseript of the testimony. De Walt, before he was called into planation of the accident since it ocsession, gave the first detailed ex-

Knew Nothing of Empties

"I did not know there was a train stempties on the line that night," said doctors to do the work, as the older bewalt. "I had not been advised about it. I had no information about the train except 491, a freight train, thich I put on a siding, and 33, the wind the state of the state of the work as the older ones have enough experience."

WOMAN HURLED THROUGH WINDSHIELD, CUT IN CRASH

"I called up Camden about ten min-ate after No. 23 left to inquire if she has on time. They told me 'two min-tes off WA.' meaning by 'WA' my lower. A couple of minutes later I has talking on the West Jersey and Sashore telephone and a frain thunconsidered by. I looked at my time and lound it was 11:18 (standard time).

No. 33, if on time, was due at 11:17, and naturally I figured she had made up minute. I jumped from the phone to telephone and a train thunto make the engine num- pital. The thumb of her left hand was

white was too late.

"Then I got Camden on the phone the neck.

Taken I got Camden on the phone the neck.

The reply was to hake the engine day.

Severed an the neck.

Patrolm arrested A Then, naturally, I set my switch to

slow the freight to proceed to Cape
May. It didn't move because of the
tet that one man in that crew knew hat one man in that crew the express had not gone by, but the didn't tell me. Had they done so, the terrible wreck would have been Avery Sehl, 25 South Congress avenue,

"The conductor of the freight was in tower taking to me. Apparently the knew nothing about the empties godown, for he did not say anything t P. Had I been advised about late No. 33 actually was I would we known that the empties were not

Red Light Set Against Filer

Then again, when you consider that ther I had set the switch to allow the right to proceed around the curve, successfully the red was thrown lint all southbound traffic, 2200 feet with of the tower, whether or not the sineer of the ill-fated train was unbe to see the red is not for me to rear to see the red is not for me to say. I that I know is that I did my duty. set signal, found as it was after week, proves conc'usively that the

Stop' was properly set. The story that Miss Brennan, the asylvania tower operator, had oft-as called me on the phone to advise that Reading trains were blowing signals is nothing but a lie. Never my life have I held telephone contion with that woman or with any person regarding train movements my tower. I have been railroadforty years and never have been or of violating any rule."

bing has been brought out so far to criminal negligence.

The very minutes I get any evidence periminal nature I shall take it bethe Grand Jury," said Mr.

P. O. S. A. TREASURER HELD

Louis F. Stees Charged With Embezzlement of Society's Funds

Louis F. Stees, 4625 North Broad street, secretary of the Fraternal Beneficial Association of the P. O. S. of A., was held in \$600 bail for the Grand Jury by Magistrate Coward today on charges growing out of alleged embezlement of the association's money. ziement of the association's money.
Several weeks ago Stees was held by
Magistrat Dugan in \$2500 bail on a
similar charge. The charge on which
he was held today was "uttering a

forged instrument. The instrument referred to is a letter to which police say Stees signed the name of the treasurer of a bank.

SMALL BATTLE IN NORTH

Free Staters Fight Insurgents Who Seized Rapheska Castle

A miniature battle was proceeding to-day between Free Staters and Republi-can insurgents who had seized the Repheska Castle. The combatants were extended into regular fighting forma-tien, covering a considerable stretch of the third suspect to be held. I get any evidence I shall take it bedury," said Mr.

Repheska Castle. The combatants were extended into regular fighting formation, covering a considerable stretch of country, around Ardee, County Louth.
Railway communication between Dublin and Belfass was resumed today.

farry Schultz Dead in Bed. Brother, Sister-in-Law and 2 Children Unconscious

TRAGEDY IN HOME CAUSED BY A DEFECTIVE METER

Policeman Living Next Door Smells Fumes, Investigates and Finds Neighbors Senseless

A seventeen-year-old boy was found dead in bed at 6 o'clock this morning, and his brother, his sister-in-law and two children lay unconscious on the second floor of the house from the effects of gas that escaped from a de-

The dead youth is Harry Schultz. His brother, Herman, twenty-one years old; Eva Schultz, Herman's eighteenyear-old wife, and her two children. Alice, two years old, and Mary, five weeks old, were revived in St. Mary's

Hospital.
They were discovered by Patrolnan
Henderson, of the East Girard avenue station, who detected the odor of gas as he was leaving his home, 327 East Wildey street, to report for duty.

As he was walking through his dining room toward the street he smelled the gas, and, believing it to come from an open jet he investigated. an open jet, he investigated.

Gropes His Way to Rescue When he could find no traces of a ak he went into the kitchen and found the gas to be coming through a

crack in the partition separating the Going into the back yard Henderson climbed the fence and as he entered the rear of the Schultz home he was almost overcome. Groping his way through the lower part of the house he reached the stairway, knowing the family to be

asleep upstairs.

When he finally reached the front bedroom he stumbled over Herman Schultz, who was stretched halfway out of the bed. His wife lay by his side. In another moment Henderson had thrown open the windows and with the inward rush of air he was able to drag the two babies, who were in another bed, down the stairs and into the yard.

Then he returned for Schultz, his wife and brother. Harry Schultz was dead when he was finally taken into

the yard.
After summoning an ambulance from St. Mary's Hospital, Henderson, with a wet towel held against his face, crept into the cellar and shut off the gas.

Dog Dies Trying to Save Him

said Herman Schultz had complained to the Bureau of Health about a pool of water in the cellar of the house. She believes the water caused the meter to

become damp and rust. FIREMAN AND GIRL. FRIENDS, DISAPPEAR

Wife Reports Russell Stevens Miss-Ing-Parents Seek Clara Fritz Police have been asked to search for fireman of Engine Company No. 20, Fourth street and Girard avenue, who has been missing from his home, 111 Mechan street, Germantown, since Sat-

urday, leaving his wife and two small in the League covenant he so modified that only European States should be Stevens is a friend of Clara Fritz, seventeen, of 2320 North Fifth Street, European nation if attacked and that whose disuppearance was reported Saturday night by her parents to police of the Fourth and York streets station. When her husband left home Satur-day morning, Mrs. Stevens said today, Stevens told her not to expect him

home until late.
"That was the last I saw of him." she sobbed as she sat in the small front parlor of her home. By her side were the two children, Russell, Jr., seven years old, and five year-old Raymond. "For some reason or other he never seemed quite contented with his home. He scemed to take great delight in bringing photographs of pretty girls self once expressed, namely, that he was home for me to see." home for me to see."

The parents of Miss Fritz decline to discuss her disappearance or her acquaintance with Stevens.
